Sevryn Rogers

8078 County Road 3700, Murchison, TX 75778 | (903) 422-2098 | sevrynrogers555@gmail.com

EDUCATION

Texas A&M University, College Station, TX | Expected December 2026
Bachelor of Geographic Information Science & Technology (GIST) | Minor in Geology

- Major GPA: 3.713 | Cumulative GPA: 3.044 | Dean's List (Fall 2025, Spring 2026, Fall 2026)
- Regents' Scholarship Recipient (First-Generation College Student)

TECHNICAL SKILLS

- **GIS & Remote Sensing:** ArcGIS Pro, ArcGIS Online, Geoprocessing, Vector & Raster Analysis, Coordinate Reference Systems (CRS) & Projections, Thematic Cartography, Attribute Table Management
- **Programming & Tools:** Java, Python, Visual Studio Code, SQL / Attribute Queries
- **Productivity & Operations:** Microsoft Office Suite (Advanced Excel, Word, PowerPoint)

TECHNICAL PROJECTS

Environmental Pollution & Health Database | *GEOG 391 at Texas A&M University*

- Cleaned multi-source EPA, CDC, and Census data across 48 states to evaluate noise and air pollution impacts on respiratory health metrics.
- Utilized SQL for database management, table joins, and urban vs. rural classification metrics based on county-to-state population thresholds.
- Designed two interactive ArcGIS Online Dashboards featuring live data filters, gauge indicators, and bivariate choropleth maps.

Campus Flood Risk Mapping & Field Data Collection | *GEOG 352 at Texas A&M University*

- Collected spatial vector data and flood boundary perimeters across main campus using ArcGIS Field Maps on mobile devices.
- Processed GPS points and polygon layers in ArcGIS Pro to identify high-risk pedestrian bottlenecks and critical walkway inundation points.

LEADERSHIP EXPERIENCE

Texas A&M Corps of Cadets, College Station, TX (2,400-member student organization)
Corps Staff Recruiting Officer (Aug 2025 – Apr 2026)

- Directed recruitment initiatives to attract and onboard prospective cadet cohorts; managed scheduling, briefings, and assignments for recruiter teams across campus visit programs.
- Served as primary spokesperson for prospective student and family events, delivering structured briefings and informational sessions.

WORK EXPERIENCE

The Home Depot, Tyler, TX
Order Fulfillment Associate (May 2023 – August 2026)

- Prioritize and process high-volume digital, in-store, and commercial flatbed freight orders within fast-paced delivery schedules.
- Maintained an average order turnaround time of 40 minutes, 66% faster than the 2-hour store benchmark.

ACTIVITIES & HONORS

- O.R. Simpson Honor Society: Provided academic tutoring to fellow cadets across multiple degree disciplines while maintaining over a 3.5 GPA during my tenure.
- Darling Recruiting Company: Guided prospective cadets during official Spend the Night with the Corps immersion events.
